JOHN MUIR BENEFIT GOLF TOURNAMENT

CONNECTING CITY KIDS TO THE ENVIRONMENT AND HONORING A GREAT AMERICAN-SCOT

Dear Friend,

You are invited to sponsor and/or participate in the American-Scottish Foundation's® 10th Annual John Muir Benefit Golf Tournament to be held on Friday, June 23, 2006 at the Van Cortlandt Park Golf Course in the Bronx, the oldest public course in the United States. This year we also celebrate the 50th Anniversary of the American-Scottish Foundation®.

A Tournament brochure, application, sponsor agreement and directions are accessible on this page. Should you have questions, please call (212) 605-0338; email asf@wwbcny.com; or fax (212) 605-0222.

Major sponsorship is encouraged. However, sponsorship and participation at any level is important and appreciated. **Note: the special golfer foursome with commemorative plaque.**

Tournament proceeds, applied toward the care and improvement of Van Cortlandt Park, the fourth largest park in New York City, connect city youth to the environment through their summer employment on the John Muir Trail.

As a result of the Tournament over one hundred teens have worked on crews in Van Cortlandt Park.. These summer crews built the Trail and now improve and maintain it as well as work in other areas of the Park.

We have also noted with great pleasure that the interns' participation in this supervised summer program has motivated a number of them to continue their education and enroll in college.

The Tournament, a cooperative effort between the American-Scottish Foundation®, the New York City Department of Parks & Recreation, the Friends of Van Cortlandt Park and American Golf Corporation, is a corporate social event designed to encourage networking among participants. The Tournament's 'scramble' format enables golfers of all skill levels to participate. A combination of good food, drink, entertainment and fellowship makes this event a great value.

Thank you in advance for your support and participation.

Yours aye,
